Get Started with BrowZine

What is BrowZine?

- Free **web** or **mobile application** from [Third Iron](#).
- Allows users to browse, read, and monitor open-access journals and journals subscribed by **University of Nottingham Malaysia Campus**.
- BrowZine Features:
 - ✓ Search for journals by **subjects** or **journal title / ISSN**.
 - ✓ My Bookshelf.
 - ✓ My Articles.
 - ✓ Export citation & sharing feature.

BrowZine Web

Can be accessed right in your favourite internet browser via [NUsearch - Malaysia](#).

BrowZine App

Download free BrowZine App for mobile device.

BrowZine Web

Access BrowZine Web from NUsrch

The screenshot shows the NUsrch search interface. At the top, there is a navigation bar with links for Home, Help, Databases, Journals, Interlibrary loans, **BrowZine** (which is circled in red), and more. Below the navigation bar is a search bar with the placeholder "What are you looking for?". To the right of the search bar are a microphone icon and a green magnifying glass icon. Further to the right is a link to "Advanced search". On the far right of the header, there is a user profile for "ABDUL MANAF, ...". A red dashed arrow points from the "BrowZine" link in the header down to the "BrowZine" link in the main content area. A red dashed box encloses the text "Go to <https://nusrch.nottingham.edu.my> and click on **BrowZine** from top menu bar." The main content area also contains a "Welcome" message, information about new features, maintenance notes, and a section about free e-resources available during the Covid-19 period.

Welcome

NUsearch has been updated with new features.

NUsearch has been updated! Read about all the new features and enhancements in our [August release notes](#).

Due to scheduled maintenance, NUsearch may be unavailable weekly from **11pm Saturday to 2am Sunday**.

Need help? is always available from the NUsearch menu, and further help and support can be found on the [Library website](#).

Go to <https://nusrch.nottingham.edu.my> and click on **BrowZine** from top menu bar.

Free e-resources available during the Covid-19 period

The Library has created an alphabetical [list](#) of free e-resources (e-books, streaming video, e-journals) during the Covid-19 period.

News

Finding Journals

The screenshot shows the BrowZine library interface. On the left, a sidebar titled "ACCESS PROVIDED BY" displays the University of Nottingham logo and "Malaysia Campus". Below this are sections for "FIND JOURNAL BY TITLE, SUBJECT, OR ISSN" and "BROWSE SUBJECTS". The "BROWSE SUBJECTS" section lists categories: Arts and Humanities, Biological Sciences, Biomedical and Health Sciences, Business and Economics, Earth and Environmental Sciences, and Engineering and Technology. A red dashed circle highlights this sidebar. On the right, a grid of journal covers is shown, with a red dashed oval highlighting the top-left corner where a search bar and a browse subjects sidebar meet. Red numbers 1 and 2 are placed on the sidebar and the search area respectively, pointing to the text in the callout box.

You can find journals in two ways:

1. Browse by **subjects**
2. Find Journals by **title / subject / ISSN**.

Find Journals by Title / Subject / ISSN

The screenshot shows the BrowZine Library interface. At the top, there are navigation links: BrowZine Library, My Bookshelf, My Articles, Access Provided By University of Nottingham, Malaysia, and icons for Help, Mobile View, and Settings. On the left, it says ACCESS PROVIDED BY The University of Nottingham Malaysia Campus, United Kingdom • CHINA • MALAYSIA. Below this is a search bar labeled FIND JOURNAL BY TITLE, SUBJECT, OR ISSN with the input JOURNAL OF POWER SOURCES. A list of subjects follows: BROWSE SUBJECTS, Arts and Humanities, Biological Sciences, Biomedical and Health Sciences, Business and Economics, Earth and Environmental Sciences, and Engineering and Technology. In the center, under Results, there is a card for Journal of Power Sources. The card includes a thumbnail image, the journal title, and a brief description: MARTIN WELLER DIGITAL SCHOLAR TECHNOLOGY IS TRANSFORMING SCHOLARLY PRACTICE. To the right of the card, there are other journal covers like MANAGING EQUITY, Cell, and NATURE. Red dashed boxes and arrows indicate the steps: 1. Search Journals by **title / subject / ISSN**. 2. Click on the results of the Journal Name.

1. Search Journals by **title / subject / ISSN**.
2. Click on the results of the Journal Name.

Additional Information

- You will find not all journal subscribed by UNM available on BrowZine.
- BrowZine works by establishing direct connections to the publishers themselves, therefore, collections contained within database aggregators may not show as available, or may show different holdings.
- In some cases, scholarly publishers may also publish newsletters, conference proceedings, trade journals or magazines which will not be included because of lack of metadata availability.
- You can find list of [supported publishers](#) on Third Iron website.
- BrowZine video tutorials available online at [Staying current with BrowZine](#) and [Discover New Journals with BrowZine](#).
